

FULLER BRUSH CLOSEOUTS from Roland Rhoades FBdwt@maine.rr.com

10 Blackberry Ln, Gorham ME 04038-2361 207-892-0923 Apr 29, 2019 update

As most of you may know, Fuller-Stanley closed their doors in October 2017. I have been selling off my inventory, and am nearly depleted so that I can retire. I ship anywhere. The Company was purchased in 2018 and has acquired more inventory, but is doubling prices, and doesn't want to be bothered with us distributors, or even have a telephone # for customers or even me to reach them. Shame.

Here is an Update List of my current closeout-priced inventory. Most USA.

Please help me "clean my office". Thank you.

I also know distributors who have inventory of other products, including a dealer in MA who has over \$10K in inventory from the past few decades, including the cotton bathtub swab and the bristle one. Call Mrs Goff in MA, 508-252-4611 and tell her Roland referred you.
